THE BONDS

SECTION 2.01 Authorization of Bonds; 2020 Bonds.

(a) Bonds may be issued hereunder from time to time in order to obtain moneys to carry out the purposes of the Authority. The maximum principal amount of Bonds which may be issued hereunder is not limited but is subject to the provisions of Article III. The Bonds are designated generally as “Santa Clara County Financing Authority Lease Revenue Bonds,” each Series thereof to bear such additional designation as may be necessary or appropriate to distinguish such Series from every other Series of Bonds. The Bonds may be issued in such Series as from time to time shall be established and authorized by the Authority, subject to the covenants, provisions and conditions herein contained.

(b) An initial Series of Bonds is hereby created and designated “Santa Clara County Financing Authority Lease Revenue Bonds (Fire District Facilities), 2020 Series A.” The aggregate principal amount of 2020 Bonds which may be issued and Outstanding under this Trust Agreement shall not exceed [_______________] dollars ($[Par Amount]).

(c) The Authority has reviewed all proceedings heretofore taken relative to the authorization of the 2020 Bonds and has found, as a result of such review, and hereby finds and determines that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of the 2020 Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and that the Authority is now duly authorized, pursuant to each and every requirement of the Act, to issue the 2020 Bonds in the form and manner provided herein for the purpose of providing funds to finance the Project, and that the 2020 Bonds shall be entitled to the benefit, protection and security of the provisions hereof.

(d) The validity of the issuance of the 2020 Bonds shall not be dependent on or affected in any way by the proceedings taken by the Authority for the financing of the Project or
by any contracts made by the Authority or its agents in connection therewith, and shall not be
dependent upon the performance by any person, firm or corporation of his or its obligation with
respect thereto. The recital contained in the 2020 Bonds that the same are issued pursuant to the
Act and pursuant hereto shall be conclusive evidence of their validity and of the regularity of their
issuance, and all 2020 Bonds shall be incontestable from and after their issuance. The 2020 Bonds
shall be deemed to be issued, within the meaning hereof, whenever the definitive 2020 Bonds (or
any temporary 2020 Bonds exchangeable therefor) shall have been delivered to the purchaser
thereof and the proceeds of sale thereof received.

The 2020 Bonds shall bear interest at the rates set forth above, payable commencing November 1, 2019 and semiannually thereafter on May 1 and November 1 in each year. The 2020 Bonds shall pay interest from the Interest Payment Date next preceding the date of authentication thereof, unless such date of authentication is after the Record Date for an Interest Payment Date, in which event they shall pay interest from such Interest Payment Date, or unless such date of authentication is on or prior to the Record Date for the first Interest Payment Date, in which event they shall pay interest from their dated date. The amount of interest so payable on any Interest Payment Date shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

(b) Payment of interest on the 2020 Bonds due on or before the maturity or prior redemption thereof shall be paid by check mailed by first class mail on each Interest Payment Date to the person in whose name the Bond is registered as of the applicable Record Date for such Interest Payment Date at the address shown on the registration books maintained by the Trustee pursuant to Section 2.07; provided, however, that interest on any Series of Bonds shall be paid by wire transfer or other means to provide immediately available funds to any Owner of at least $1,000,000 in aggregate principal amount of such Series of Bonds, at its option, according to wire instructions given to the Trustee in writing for such purpose and on file as of the applicable Record Date preceding the Interest Payment Date.

The signatures of such officers may be by printed, lithographed or engraved by facsimile reproduction. In case any officer whose signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds to the purchaser thereof, such signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in office until such delivery of the Bonds.
Only those Bonds bearing thereon a certificate of authentication in the form hereinbefore recited, executed manually and dated by the Trustee, shall be entitled to any benefit, protection or security hereunder or be valid or obligatory for any purpose, and such certificate of the Trustee shall be conclusive evidence that the 2020 Bonds so authenticated have been duly authorized, executed, issued and delivered hereunder and are entitled to the benefit, protection and security hereof.

SECTION 2.05 Transfer and Payment of Bonds. Any Bond may, in accordance with its terms, be transferred in the books required to be kept pursuant to the provisions of Section 2.07 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation accompanied by delivery of a duly executed written instrument of transfer in a form acceptable to the Trustee. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of the same Series and maturity for a like aggregate principal amount of Authorized Denominations. The Trustee shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer as a condition precedent to the exercise of such privilege.

The Authority and the Trustee may, except as otherwise provided herein, deem and treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of receiving payment thereof and for all other purposes, whether such Bond shall be overdue or not, and neither the Authority nor the Trustee shall be affected by any notice or knowledge to the contrary; and payment of the interest on and principal of and redemption premium, if any, on such Bond shall be made only to such registered owner, which payments shall be valid and effectual to satisfy and discharge liability on such Bond to the extent of the sum or sums so paid.

The Trustee shall not be required to register the transfer of or exchange any Bonds which has been selected for redemption in whole or in part, from and after the day of mailing of a notice of redemption of such Bond selected for redemption in whole or in part as provided in Section 4.04 or during the period established by the Trustee for selection of Bonds for redemption.

SECTION 2.06 Exchange of Bonds. Bonds may be exchanged at the Principal Office of the Trustee for a like aggregate principal amount of Bonds of the same Series and maturity in Authorized Denominations. The Trustee shall require the payment by the Bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange as a condition precedent to the exercise of such privilege. The Trustee shall not be required to exchange any Bond which has been selected for redemption in whole or in part, from and after the day of mailing of a notice of redemption of such Bond selected for redemption in whole or in part as provided in Section 4.04 or during the period established by the Trustee for selection of Bonds for redemption.

SECTION 2.07 Bond Registration Books. The Trustee will keep at its office sufficient books for the registration and transfer of the Bonds, which during normal business hours shall be open to inspection by the Authority upon reasonable notice, and upon presentation for such purpose the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer the Bonds in such books as hereinabove provided.
SECTION 2.08 Mutilated, Destroyed, Stolen or Lost Bonds; Temporary Bonds. If any Bond shall become mutilated, the Trustee, at the expense of the Bondholder, shall thereupon authenticate and deliver a new Bond of like tenor and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled.

If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to the Trustee and indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Bondholder, shall thereupon authenticate and deliver a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen.

The Trustee may require payment of a reasonable sum for each new Bond issued under this Section 2.08 and of the expenses which may be incurred by the Authority and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Trust Agreement with all other Bonds of the same Series secured by this Trust Agreement. Neither the Authority nor the Trustee shall be required to treat both the original Bond and any replacement Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and replacement Bond shall be treated as one and the same.

The Bonds issued under this Trust Agreement may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Authority, shall be in fully registered form and may contain such reference to any of the provisions of this Trust Agreement as may be appropriate. Every temporary Bond shall be executed and authenticated as authorized by the Authority, in accordance with the terms of the Act. If the Authority issues temporary Bonds it will execute and furnish definitive Bonds without delay and thereupon the temporary Bonds may be surrendered, for cancellation, in exchange therefor at the Principal Office of the Trustee, and the Trustee shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Trust Agreement as definitive Bonds delivered hereunder.

SECTION 2.09 Special Covenants as to Book-Entry Only System for 2020 Bonds.

(a) Except as otherwise provided in subsections (b) and (c) of this Section 2.09, all of the 2020 Bonds initially issued shall be registered in the name of Cede & Co., as nominee for DTC, or such other nominee as DTC shall request pursuant to the Representation Letter. Payment of the interest on any 2019 Bond registered in the name of Cede & Co. shall be made on each Interest Payment Date for such 2020 Bonds to the account, in the manner and at the address indicated in or pursuant to the Representation Letter.

(b) The 2020 Bonds initially shall be issued in the form of a single authenticated fully registered bond for each stated maturity of such 2020 Bonds, representing the aggregate
principal amount of the 2020 Bonds of such maturity. Upon initial issuance, the ownership of all such 2020 Bonds shall be registered in the registration records maintained by the Trustee pursuant to Section 2.07 in the name of Cede & Co., as nominee of DTC, or such other nominee as DTC shall request pursuant to the Representation Letter. The Trustee, the Authority and any paying agent may treat DTC (or its nominee) as the sole and exclusive owner of the 2020 Bonds registered in its name for the purposes of payment of the principal or redemption price of and interest on such 2020 Bonds, selecting the 2020 Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders hereunder, registering the transfer of 2020 Bonds, obtaining any consent or other action to be taken by Bondholders of the 2020 Bonds and for all other purposes whatsoever; and neither the Trustee nor the Authority or any paying agent shall be affected by any notice to the contrary. Neither the Trustee nor the Authority or any paying agent shall have any responsibility or obligation to any “Participant” (which shall mean, for purposes of this Section 2.09, securities brokers and dealers, banks, trust companies, clearing corporations and other entities, some of whom directly or indirectly own DTC), any person claiming a beneficial ownership interest in the 2020 Bonds under or through DTC or any Participant, or any other person which is not shown on the registration records as being a Bondholder, with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC or any Participant of any amount in respect of the principal or redemption price of or interest on the 2020 Bonds, (iii) any notice which is permitted or required to be given to Bondholders of 2020 Bonds hereunder, (iv) the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the 2020 Bonds, or (v) any consent given or other action taken by DTC as Bondholder of 2020 Bonds. The Trustee shall pay all principal of and premium, if any, and interest on the 2020 Bonds only at the times, to the accounts, at the addresses and otherwise in accordance with the Representation Letter, and all such payments shall be valid and effective to satisfy fully and discharge the Authority’s obligations with respect to the payment of the principal of and premium, if any, and interest on the 2020 Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of its then existing nominee, the 2020 Bonds will be transferable to such new nominee in accordance with subsection (e) of this Section 2.09.

(c) In the event that the Authority determines that the 2020 Bonds should not be maintained in book-entry form, the Trustee shall, upon the written instruction of the Authority, so notify DTC, whereupon DTC shall notify the Participants of the availability through DTC of bond certificates. In such event, the 2020 Bonds will be transferable in accordance with subsection (e) of this Section 2.09. DTC may determine to discontinue providing its services with respect to the 2020 Bonds or a portion thereof, at any time by giving written notice of such discontinuance to the Authority or the Trustee and discharging its responsibilities with respect thereto under applicable law. In such event, the 2020 Bonds will be transferable in accordance with subsection (e) of this Section 2.09. If at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor securities depository is not appointed by the Authority within 90 days after the Authority receives notice or becomes aware of such condition, as the case may be, then this Section 2.09 shall no longer be applicable and the Authority shall execute and the Trustee shall authenticate and deliver certificates representing the 2020 Bonds as provided below. Whenever DTC requests the Authority and the Trustee to do so, the Trustee and the Authority will cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of all certificates evidencing the 2020 Bonds then Outstanding. In such event,
the 2020 Bonds will be transferable to such securities depository in accordance with subsection (e) of this Section 2.09, and thereafter, all references in this Trust Agreement to DTC or its nominee shall be deemed to refer to such successor securities depository and its nominee, as appropriate.

(d) Notwithstanding any other provision of this Trust Agreement to the contrary, so long as all 2020 Bonds Outstanding are registered in the name of any nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on each such 2019 Bond and all notices with respect to each such 2019 Bond shall be made and given, respectively, to DTC as provided in or pursuant to the Representation Letter.

(e) In the event that any transfer or exchange of 2020 Bonds is authorized under subsection (b) or (c) of this Section 2.09, such transfer or exchange shall be accomplished upon receipt by the Trustee from the registered owner thereof of the 2020 Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee, all in accordance with the applicable provisions of Sections 2.05 and 2.06. In the event 2019 Bond certificates are issued to Bondholders other than Cede & Co., its successor as nominee for DTC as holder of all the 2020 Bonds, another securities depository as holder of all the 2020 Bonds, or the nominee of such successor securities depository, the provisions of Sections 2.05 and 2.06 shall also apply to, among other things, the registration, exchange and transfer of the 2020 Bonds and the method of payment of principal of, premium, if any, and interest on the 2020 Bonds.

ARTICLE III
ISSUANCE OF 2020 Bonds

SECTION 3.01 Procedure for the Issuance of 2020 Bonds. At any time after the sale of the 2020 Bonds in accordance with the Act, the Authority shall execute the 2020 Bonds for issuance hereunder and shall deliver them to the Trustee, and thereupon the 2020 Bonds shall be authenticated and delivered by the Trustee to the purchaser thereof upon the Written Request of the Authority and upon receipt of payment therefor from the purchaser thereof. Upon receipt of payment for the 2020 Bonds from the purchaser thereof, the Trustee shall, unless otherwise instructed by the Authority, transfer or deposit the proceeds received from such sale to the following respective parties or to the following respective accounts, in the following order of priority:

(a) The proceeds of the sale of the 2020 Bonds in the amount of $______________ ($[Par Amount] aggregate principal amount of the 2020 Bonds, plus a net original issue premium of $______________, less an underwriter’s discount of $__________ and less $[1,000,000.00] good faith deposit) shall be set aside as follows:

(i) deposit a portion of the proceeds of the sale of the 2020 Bonds in the amount of $______________ to the 2020 Bonds Costs of Issuance Account, which fund is hereby created and which fund the Trustee hereby covenants and agrees to maintain. All money in the 2020 Bonds Costs of Issuance Account shall be used and withdrawn by the Trustee to pay the Costs of Issuance of the 2020 Bonds upon receipt of a Written Request of the Authority, in substantially the form attached hereto as Exhibit C, filed with the Trustee, each of which shall be sequentially numbered and shall state the person(s) to whom payment is to be made, the amount(s)
to be paid, the purpose(s) for which the obligation(s) was incurred and that such payment is a proper charge against said fund. On December 1, 2020, or upon the earlier Written Request of the Authority, any remaining balance in the 2020 Bonds Costs of Issuance Account shall be transferred to the 2020 Project Account within the Project Fund and the 2020 Bonds Costs of Issuance Account shall be closed; and

(ii) transfer proceeds of the sale of the 2020 Bonds in the amount of $____________ to the Authority for deposit (along with the $[1,000,000.00] good faith deposit previously received by the Authority) in the 2020 Project Account within the Project Fund.

SECTION 3.02 Project Fund. The Authority hereby agrees to establish and maintain with the Director of Finance of the County, as Treasurer and Controller of the Authority, the Project Fund and, within the Project Fund, a Project Account for each Series of Bonds (the initial payment into which is provided for in Section 3.01 hereof). The moneys in the Project Fund shall be disbursed by the Director of Finance upon the Written Request of the District, for the payment of project costs relating to the Project.

Before any payment is made from the Project Fund, there shall be filed with the Director of Finance a Written Request of the District showing with respect to each payment to be made:

(i) the item number of the payment;

(ii) the name and address of the person to whom payment is due;

(iii) the amount to be paid; and

(iv) the purpose for which the obligation to be paid was incurred.

Each such Written Request shall be sufficient evidence to the Director of Finance and shall state:

(a) that obligations in the stated amounts have been incurred by the District, and that each item thereof is a proper charge against the Project Fund and has not been the subject of a prior requisition; and

(b) that there has not been filed with or served upon the District notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable to any of the persons named in such Written Request, which has not been released or will not be released simultaneously with the payment of such obligation, other than materialmen’s or mechanics’ liens accruing by mere operation of law.

Upon receipt of each such Written Request and accompanying Certificate, the Director of Finance will pay the amount set forth in such Written Request as directed by the terms thereof. The Director of Finance need not make any such payment if it has received notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the
moneys to be so paid, which has not been released or will not be released simultaneously with such payment.

All interest earnings on amounts on deposit in the Project Fund shall be deposited therein. Upon the completion of the Fire District Project, any amounts remaining in the 2020 Project Account shall be expended on Projects as specified by the District, subject to the receipt by the Authority of an Opinion of Counsel that such expenditures will not cause the interest on the 2020 Bonds to be included in gross income for purposes of federal income taxation.

SECTION 3.03 Conditions for the Issuance of Additional Bonds. The Authority may at any time issue Additional Bonds pursuant to a Supplemental Trust Agreement, payable from the Revenues as provided herein and secured by a pledge of and charge and lien upon the Revenues as provided herein equal to the pledge, charge and lien securing the Outstanding Bonds theretofore issued hereunder, but only subject to the following specific conditions, which are hereby made conditions precedent to the issuance of any such Additional Bonds:

(a) The Authority shall be in compliance with all agreements and covenants contained herein.

(b) The Supplemental Trust Agreement shall require that the proceeds of the sale of such Additional Bonds shall be applied to the payment of capital expenditures by the County or District or Authority on behalf of the County or District, the acquisition (by purchase or lease) or construction of additional facilities, or for the refunding of Outstanding Bonds.

(c) The aggregate principal amount of Bonds at any time Outstanding hereunder shall not exceed any limit imposed by law, by this Trust Agreement or by any Supplemental Trust Agreement, and when issued shall not be more than the value (as determined by the County) of the Facilities to be leased upon the issuance of the Additional Bonds.

(d) The Facilities Lease shall have been amended, if necessary, and duly recorded in the official records of the County Recorder of the County, so that the Base Rental Payments payable by the County thereunder in each Fiscal Year shall at least equal Debt Service, including Debt Service on the Additional Bonds, in each Fiscal Year, and to include any additional Facilities, if any, to be leased and any property added to the Site Lease pursuant to subsection (f).

(e) The County shall certify that the Base Rental Payments payable by the County under the Facilities Lease does not exceed the fair rental value of the Facilities.

(f) Additional Facilities are not required for the issuance of Additional Bonds but if any additional Facilities are to be leased and are not situated on property described in the Facilities Lease, the Site Lease shall have been amended so as to lease to the Authority such additional real property.

(g) If the additional Facilities to be leased are to be constructed, the Trustee shall be paid an amount of capitalized interest on the Additional Bonds for the estimated period of construction and six months thereafter; provided that if the annual Debt Service on the Additional Bonds when combined with the annual Debt Service on the Outstanding Bonds is less than the
current fair rental value of the Facilities, no capitalized interest shall be required for such
Additional Bonds.

(h) The Supplemental Trust Agreement may specify as to whether such
Additional Bonds shall (A) be secured by any other Reserve Fund, or (B) not be secured by any
Reserve Fund.

SECTION 3.04 Proceedings for Authorization of Additional Bonds. Whenever the
Authority shall determine to execute and deliver any Additional Bonds pursuant to Section 3.03,
the Authority and the Trustee shall enter into a Supplemental Trust Agreement providing for the
issuance of such Additional Bonds, specifying the maximum principal amount of such Additional
Bonds and prescribing the terms and conditions of such Additional Bonds.

The Supplemental Trust Agreement shall prescribe the form or forms of such
Additional Bonds and, subject to the provisions of Section 3.03, shall provide for the distinctive
designation, denominations, method of numbering, dates, payment dates, interest rates (or method
determining the rates, if variable), interest payment dates, provisions for redemption (if desired)
and places of payment of principal and interest.

Before such Additional Bonds shall be issued, the County and the Authority shall
file or cause to be filed the following documents with the Trustee:

(a) An Opinion of Counsel setting forth that (1) such Counsel has examined the
Supplemental Trust Agreement and the amendments to the Facilities Lease and the Site Lease
required by Section 3.03(d); (2) the execution and delivery of the Additional Bonds have been
duly authorized by the County and the Authority; (3) said amendments to the Facilities Lease and
the Site Lease if any, when duly executed by the County and the Authority, will be valid and
binding obligations of the County and the Authority; and (4) all the conditions to the issuance of
the Additional Bonds set forth in this Trust Agreement have been satisfied.

(b) A Certificate of the Authority stating that the requirements of Section 3.03
have been met.

(c) A certified copy of a resolution or ordinance of the County and the
Authority authorizing the execution of the amendments to the Facilities Lease (if necessary)
required by Section 3.03(d).

(d) An executed counterpart or duly authenticated copy of any amendment to
the Facilities Lease required by Section 3.03(d) that has been duly recorded in the official records
of the County Recorder of the County.

(e) A Certificate of the County in satisfaction of Section 3.03(e).

(f) A Certificate of the County stating that the additional Facilities Leased as
required by Section 3.03(d) and (f) are essential to the operations of the County.

(g) A Certificate of the County stating that the insurance required by Sections
5.01, 5.02 and 5.03 of the Facilities Lease is in effect.
If the County desires to lease real property not then described in the
Facilities Lease, an executed counterpart or duly authenticated copy of the Site Lease required by
Section 3.03(f) that has been duly recorded in the official records of the County Recorder of the
County.

If the County desires to lease real property not then described in the
Facilities Lease there will be provided a title insurance policy insuring the Authority’s leasehold
or the County’s fee title in such real property, such title insurance policy to be in an amount equal
to the aggregate amount of the Additional Bonds to be issued or, at the option of the Authority, an
opinion of counsel or Certificate of the County or such other evidence of the Authority’s or
County’s leasehold or the County’s fee interest in such real property as shall be acceptable to the
Authority.

Upon the delivery to the Trustee of the foregoing instruments and upon the
Trustee’s receipt of Certificates of the County and of the Authority stating that all applicable
provisions of this Trust Agreement have been complied with (so as to permit the issuance of the
Additional Bonds in accordance with the Supplemental Trust Agreement then delivered to the
Trustee), the Trustee shall authenticate and deliver said Additional Bonds in the aggregate
principal amount specified in such Supplemental Trust Agreement to, or upon the Written Request
of, the Authority.

SECTION 3.05   Limitations on the Issuance of Obligations Payable from Revenues.
The Authority will not, so long as any of the Bonds are Outstanding, issue any obligations or
securities, however denominated, payable in whole or in part from Revenues except the following:

(a) Bonds of any Series authorized in accordance with the provisions of Section
3.04;

principal, premium, interest and reserve account requirements, if any, for the Bonds and which

be paid hereunder from Revenues for principal, premium, interest and reserve fund requirements
for the Bonds, as the same become due and payable and at the times and in the manner as required
in this Trust Agreement.

ARTICLE IV

REDEMPTION OF BONDS

SECTION 4.01   Extraordinary Redemption. The 2020 Bonds are subject to
redemption by the Authority on any date prior to their respective stated maturities, upon notice as
hereinafter provided in Section 5.04(b), as a whole or in part by lot within each stated maturity in
integral multiples of Authorized Denominations, from prepayments made by the County pursuant
to Section 7.02(a) of the Facilities Lease, at a redemption price equal to the sum of the principal
amount thereof, without premium, plus accrued interest thereon to the Redemption Date. Whenever
less than all of the Outstanding Bonds are to be redeemed on any one date, the Trustee
shall select, in accordance with written directions from the Authority, the Bonds to be redeemed in part from the Outstanding Bonds so that the aggregate annual principal amount of and interest on Bonds which shall be payable after such Redemption Date shall be as nearly proportional as practicable to the aggregate annual principal amount of and interest on Bonds Outstanding prior to such Redemption Date.

SECTION 4.02 Optional Redemption. The 2020 Bonds maturing on or prior to __________ 1, [2030] are not subject to optional redemption. The 2020 Bonds maturing on or after __________ 1, [2031], are subject to redemption prior to their respective stated maturities at the written direction of the Authority or the County, from any moneys deposited by the Authority or the County, as a whole or in part on any date (in such maturities as are designated in writing by the Authority to the Trustee) on or after __________ 1, [2030], at a redemption price equal to 100% of the principal amount of the 2020 Bonds called for redemption, plus accrued interest to the date fixed for redemption, without premium.

SECTION 4.03 Mandatory Sinking Fund Redemption.

i. Subject to the terms and conditions set forth in this Section, the 2020 Bonds maturing __________ 1, 20___ will be redeemed (or paid at maturity, as the case may be) by application of sinking fund payments from the Sinking Account for such 2020 Bonds in the following amounts and on the following dates:

iii. Subject to the terms and conditions set forth in this Section, the 2020 Bonds maturing __________ 1, 20___ will be redeemed (or paid at maturity, as the case may be) by application of sinking fund payments from the Sinking Account for such 2020 Bonds in the following amounts and on the following dates:
SECTION 4.04 Selection of Bonds for Redemption. The Authority or the County shall designate which maturities of Bonds and the principal amount of Bonds which are to be redeemed (other than Bonds subject to redemption pursuant to Section 4.03). If less than all Outstanding Bonds of the same Series maturing by their terms on any one date are to be redeemed at any one time, the Trustee shall select the Bonds of such maturity date to be redeemed by lot and shall promptly notify the Authority and the County in writing of the numbers of the Bonds so selected for redemption. For purposes of such selection, Bonds shall be deemed to be composed of multiples of minimum Authorized Denominations and any such multiple may be separately redeemed. In the event Term Bonds are designated for redemption, the Authority and the County may designate which sinking account payments are allocated to such redemption.

SECTION 4.05 Notice of Redemption; Cancellation; Effect of Redemption. Notice of redemption shall be mailed by first-class mail by the Trustee, not less than twenty (20) nor more than sixty (60) days prior to the redemption date to the respective Bondholders of the Bonds designated for redemption at their addresses appearing on the registration books of the Trustee. Each notice of redemption shall state the date of such notice, the date of issue of the Bonds, the Series, the redemption date, the Redemption Price, the place or places of redemption (including the name and appropriate address of the Trustee), the CUSIP number (if any) of the maturity date or maturities, and, if less than all of any such maturity is to be redeemed, the distinctive certificate numbers of the Bonds of such maturity, to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Redemption notices may state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Bonds. Each such notice shall also state that on said date there will become due and payable on each of said Bonds the Redemption Price thereof, together with interest accrued thereon to the redemption date, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered at the address of the Trustee specified in the redemption notice. Failure to receive such notice shall not invalidate any of the proceedings taken in connection with such redemption.

The Trustee may give a conditional notice of redemption prior to the receipt of all funds or satisfaction of all conditions necessary to effect the redemption, provided that redemption shall not occur unless and until all conditions have been satisfied and the Trustee has on deposit and available or, if applicable, has received, all of the funds necessary to effect the redemption; otherwise, such redemption shall be cancelled by the Trustee and the Trustee shall mail notice of such cancellation to the recipients of the notice of redemption being cancelled.

The Authority or the County may, at their option, on or prior to the date fixed for redemption in any notice of optional redemption, rescind and cancel such notice of redemption by Written Request to the Trustee and the Trustee shall mail notice of such cancellation to the recipients of the notice of redemption being cancelled.
If notice of redemption has been duly given as aforesaid and money for the payment of the Redemption Price of the Bonds called for redemption plus accrued interest to the redemption date is held by the Trustee, then on the redemption date designated in such notice Bonds so called for redemption shall become due and payable, and from and after the date so designated interest on such Bonds shall cease to accrue, and the Bondholders of such Bonds shall have no rights in respect thereof except to receive payment of the Redemption Price thereof plus accrued interest to the Redemption Date.

All Bonds redeemed pursuant to the provisions of this Article shall be cancelled by the Trustee and shall be destroyed with a certificate of destruction furnished to the Authority and the County upon its request and shall not be reissued.

ARTICLE V

REVENUES

SECTION 5.01 Pledge of Revenues.

(a) All Revenues, any other amounts (including proceeds of the sale of the Bonds) held by the Trustee in any fund or account established hereunder (other than amounts on deposit in the Rebate Fund created pursuant to Section 6.03) and any other amounts (excluding Additional Payments) received by the Authority in respect of the Facilities are hereby irrevocably pledged and assigned to the payment of the interest and premium, if any, on and principal of the Bonds as provided herein, and the Revenues and other amounts pledged hereunder shall not be used for any other purpose while any of the Bonds remain Outstanding; provided, however, that out of the Revenues and other moneys there may be applied such sums for such purposes as are permitted hereunder. This pledge shall constitute a pledge of and charge and first lien upon the Revenues, all other amounts pledged hereunder and all other moneys on deposit in the funds and accounts established hereunder (excluding amounts on deposit in the Rebate Fund created pursuant to Section 6.03) for the payment of the interest on and principal of the Bonds in accordance with the terms hereof and thereof.

(b) At least three (3) Business Days prior to each date on which a Base Rental Payment is due, pursuant to the Facilities Lease, the Trustee shall notify the County of the amount of the installment of Base Rental Payment needed to pay the principal of and interest on the Bonds due on the next following Interest Payment Date. Any failure to send such notice shall not affect the County’s obligation to make timely payments of installments of Base Rental Payments.

SECTION 5.02 Receipt and Deposit of Revenues in the Revenue Fund. In order to carry out and effectuate the pledge, assignment, charge and lien contained herein, the Authority agrees and covenants that all Revenues and all other amounts pledged hereunder when and as received shall be received by the Authority in trust hereunder for the benefit of the Bondholders and shall be transferred when and as received by the Authority to the Trustee for deposit in the Revenue Fund (the “Revenue Fund”), which fund is hereby created and which fund the Trustee hereby agrees and covenants to maintain in trust for Bondholders so long as any Bonds shall be Outstanding hereunder. The County has been directed to pay all Base Rental Payments directly to the Trustee. If the Authority receives any Base Rental Payments, it shall hold the same in trust as
agent of the Trustee and shall immediately transfer such Base Rental Payments to the Trustee. All
Revenues and all other amounts pledged and assigned hereunder shall be accounted for through
and held in trust in the Revenue Fund, and the Trustee shall have no beneficial right or interest in
any of the Revenues except only as herein provided. All Revenues and all other amounts pledged
and assigned hereunder, whether received by the Authority in trust or deposited with the Trustee
as herein provided, shall nevertheless be allocated, applied and disbursed solely to the purposes
and uses hereinafter in this Article set forth, and shall be accounted for separately and apart from
all other accounts, funds, money or other resources of the Trustee.

SECTION 5.03 Establishment and Maintenance of Accounts for Use of Money in
the Revenue Fund.

(a) Revenue Fund. Subject to Section 6.03, all money in the Revenue Fund
shall be set aside by the Trustee in the following respective special accounts or funds within the
Revenue Fund (each of which is hereby created and each of which the Trustee hereby covenants
and agrees to cause to be maintained) in the following order of priority:

(1) Interest Account, and

(2) Principal Account.

All money in each of such accounts shall be held in trust by the Trustee and shall be applied, used
and withdrawn only for the purposes hereinafter authorized in this Section. On each Principal
Payment Date, following payment of principal of and interest on the Bonds any excess shall be
returned to the County as an excess payment of Base Rental Payments.

(b) Interest Account. On or before each Interest Payment Date, the Trustee
shall set aside from the Revenue Fund and deposit in the Interest Account that amount of money
which is equal to the amount of interest becoming due and payable on all Outstanding Bonds on
such Interest Payment Date.

No deposit need be made in the Interest Account if the amount contained therein
and available to pay interest on the Bonds is at least equal to the aggregate amount of interest
becoming due and payable on all Outstanding Bonds on such Interest Payment Date.

All money in the Interest Account shall be used and withdrawn by the Trustee
solely for the purpose of paying the interest on the Bonds as it shall become due and payable
(including accrued interest on any Bonds purchased or redeemed prior to maturity).

(c) Principal Account. On or before each May 1, commencing May 1, 2020,
the Trustee shall set aside from the Revenue Fund and deposit in the Principal Account an amount
of money equal to the amount of all sinking fund payments required to be made on such May 1
into the respective sinking fund accounts for all Outstanding Term Bonds and the principal amount
of all Outstanding Serial Bonds maturing on such May 1. On or before each Redemption Date,
the Trustee shall set aside from the Revenue Fund and deposit in the Principal Account an amount
of money equal to the Redemption Price required to be paid on such Redemption Date.
No deposit need be made in the Principal Account if the amount contained therein and available to pay principal of the Bonds is at least equal to the aggregate amount of the principal of all Outstanding Serial Bonds maturing by their terms on such May 1 plus the aggregate amount of all sinking fund payments required to be made on such May 1 for all Outstanding Term Bonds.

The Trustee shall establish and maintain within the Principal Account a separate subaccount for the Term Bonds of each Series and maturity, designated as the “____ Sinking Account” (the “Sinking Account”), inserting therein the Series and maturity (if more than one such account is established for such Series) designation of such Bonds. With respect to each Sinking Account, on each mandatory sinking account payment date established for such Sinking Account, the Trustee shall apply the mandatory sinking account payment required on that date to the redemption (or payment at maturity, as the case may be) of Term Bonds of the Series and maturity for which such Sinking Account was established, upon the notice and in the manner provided in Article IV.

All money in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal or Redemption Price of the Bonds as it shall become due and payable, whether at maturity or redemption, except that any money in any Sinking Account shall be used and withdrawn by the Trustee only to redeem or to pay Term Bonds for which such Sinking Account was created.

(d) Reserve Fund. The Trustee shall establish, maintain and hold in trust a separate fund designated the “Reserve Fund.” Within such fund, the Trustee may establish accounts to secure a Series of Additional Bonds issued hereunder. All money in a Reserve Account shall be used and withdrawn by the Trustee for the purpose of replenishing the Interest Account or the Principal Account, in that order, established for the Series of Bonds for which the Reserve Account was created in the event of any deficiency at any time in either of such accounts, except that so long as the Authority is not in default hereunder, any cash amounts in any Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account and deposited in the Project Fund, prior to completion of the Project, and thereafter into the Revenue Fund on or before each Interest Payment Date, unless the Supplemental Indenture authorizing the Series of Additional Bonds provides otherwise. There is no Reserve Requirement for the 2020 Bonds and the Trustee shall not be required to open the Reserve Fund in its books and records until a Reserve Account is created for a Series of Additional Bonds issued hereunder.

SECTION 5.04 Application of Insurance Proceeds. In the event of any damage to or destruction of any part of the Facilities covered by insurance, the Authority, shall cause the proceeds of such insurance to be utilized for the repair, reconstruction or replacement of the damaged or destroyed portion of the Facilities, and the Authority shall hold said proceeds in a fund established by the Director of Finance for such purpose separate and apart from all other funds designated the “Insurance and Condemnation Fund”, to the end that such proceeds shall be applied to the repair, reconstruction or replacement of the Facilities to at least the same good order, repair and condition as it was in prior to the damage or destruction, insofar as the same may be accomplished by the use of said proceeds. The County, as agent of the Authority, shall file a Certificate of the County with the Trustee that sufficient funds from insurance proceeds or from any funds legally available to the Authority or the County, or from any combination thereof, are available in the event it elects to repair, reconstruct or replace the Facilities. The Director of
Finance shall invest said proceeds in Permitted Investments pursuant to the Written Request of the County, as agent for the Authority under the Facilities Lease, and withdrawals of said proceeds shall be made from time to time upon the filing with the Director of Finance of a Written Request of the County, stating that the County has expended moneys or incurred liabilities in an amount equal to the amount therein stated for the purpose of the repair, reconstruction or replacement of the Facilities, and specifying the items for which such moneys were expended, or such liabilities were incurred, in reasonable detail. Any balance of such proceeds not required for such repair, reconstruction or replacement and the proceeds of use and occupancy insurance shall be paid to the Trustee as Base Rental Payments and applied in the manner provided by Section 5.01. Alternatively, the Authority with the written consent of the County, and if the proceeds of such insurance together with any other moneys then available for such purpose (including allocable portions of the Reserve Fund) are sufficient to prepay all, in case of damage or destruction in whole of the Facilities, or that portion, in the case of partial damage or destruction of the Facilities, of the Base Rental Payments and all other amounts relating to the damaged or destroyed portion of the Facilities, may elect not to repair, reconstruct or replace the damaged or destroyed portion of the Facilities and thereupon shall cause said proceeds to be used for the redemption of Outstanding Bonds pursuant to the applicable provisions of Section 4.01. The County shall not apply the proceeds of insurance as set forth in this Section 5.04 to redeem the Bonds in part due to damage or destruction of a portion of the Facilities unless the Base Rental Payments on the undamaged portion of the Facilities will be sufficient to pay the scheduled principal and interest on the Bonds remaining unpaid after such redemption.

SECTION 5.05 Deposit and Investments of Money in Accounts and Funds. Subject to Section 6.03, all money held by the Trustee in any of the accounts or funds established pursuant hereto shall be invested in Permitted Investments at the Written Request of the Authority or, if no instructions are received, such funds shall be held uninvested. Such investments shall, as nearly as practicable, mature on or before the dates on which such money is anticipated to be needed for disbursement hereunder; provided, however, that moneys in the Reserve Fund shall be invested in Permitted Investments with a term to maturity not exceeding five (5) years. For purposes of this restriction, Permitted Investments containing a repurchase option or put option by the investor shall be treated as having a maturity of no longer than such option. Unless otherwise instructed by the Authority, all interest or profits received on any money so invested shall be deposited first in the Reserve Fund, to the extent necessary to make amounts on deposit in the Reserve Fund equal to the Reserve Requirement, and then in the Revenue Fund; provided that, with respect to the Project Fund, earnings on amounts in such fund shall be credited to such fund until completion of the respective Projects. The Director of Finance shall value Permitted Investments held in the Reserve Fund no later than May 1 and November 1 in each year; provided that for purposes of this Section the value of any such Permitted Investment shall be an amount equal to the lesser of the cost or the fair market value of such Permitted Investment. The Trustee and its affiliates may act as principal, agent, sponsor or advisor with respect to any investments. The Trustee shall not be liable for any losses on investments made in accordance with the terms and provisions of this Trust Agreement. The Trustee may rely conclusively on the written investment directions of the Authority as to the suitability and legality of the directed investments.

Investments purchased with funds on deposit in the Revenue Fund shall mature not later than the payment date or redemption date, as appropriate, immediately succeeding the investment.
Subject to Section 6.03, investments in any and all funds and accounts except for the Rebate Fund may be commingled for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in particular funds and accounts amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the funds and accounts to which they are credited and otherwise as provided in this Trust Agreement.

The Authority acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Authority the right to receive brokerage confirmations of security transactions as they occur, at no additional cost, the Authority specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Authority periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

ARTICLE VI

COVENANTS OF THE AUTHORITY

SECTION 6.01 Punctual Payment and Performance. The Authority will punctually pay out of the Revenues the interest on and principal of and redemption premiums, if any, to become due on every Bond issued hereunder in strict conformity with the terms hereof and of the Bonds, and will faithfully observe and perform all the agreements and covenants to be observed or performed by the Authority contained herein and in the Bonds.

SECTION 6.02 Against Encumbrances. The Authority will not make any pledge or assignment of or place any charge or lien upon the Revenues except as provided in Section 5.01, and will not issue any bonds, notes or obligations payable from the Revenues or secured by a pledge of or charge or lien upon the Revenues except as provided in Section 3.04.

SECTION 6.03 Rebate Fund.

(a) In addition to the accounts created pursuant to Section 5.03, the Trustee shall establish and maintain a fund separate from any other fund or account established and maintained hereunder designated as the Rebate Fund. There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in the Tax Certificate), for payment to the United States of America. Notwithstanding the provisions of Sections 5.01, 5.02, 5.05, 9.01 and 10.01 relating to the pledge of Revenues, the allocation of money in the Revenue Fund, the investments of money in any fund or account, the application of funds upon acceleration and the defeasance of Outstanding 2020 Bonds, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by this Section 6.03 and by the Tax Certificate (which is incorporated herein by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority, and shall have no liability or responsibility to enforce compliance by the Authority with the terms of the Tax Certificate.
(b) Any funds remaining in the Rebate Fund with respect to a Series of Tax-Exempt Bonds after redemption and payment of all such Series of Tax-Exempt Bonds and all other amounts due hereunder or under the Facilities Lease relating to such Series of Tax-Exempt Bonds, or provision made therefor satisfactory to the Trustee, including accrued interest and payment of any applicable fees and expenses of the Trustee and satisfaction of the Rebate Requirement (as defined in the Tax Certificate), shall be withdrawn by the Trustee and remitted to or upon the Written Request of the Authority.

SECTION 6.04 Tax Covenants.

(a) The Authority hereby covenants that it shall not take any action or inaction, or fail to take any action, or permit any action to be taken on behalf of the Authority or cause or permit any circumstances within its control to arise or continue, if such action or inaction would cause any of the 2020 Bonds to be treated as an obligation not described in Section 103(a) of the Code. This covenant shall survive the payment in full of the 2020 Bonds.

(b) In the event that at any time the Authority is of the opinion that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under this Trust Agreement, the Authority shall so instruct the Trustee in a Request of the Authority accompanied by a supporting Opinion of Counsel, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of this Section, if the Authority shall provide to the Trustee an Opinion of Counsel that any specified action required under this Section or the Tax Certificate is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the 2020 Bonds, the Authority and the Trustee may conclusively rely on such opinion in complying with the requirements of this Section and the Tax Certificate, and, notwithstanding Article IX hereof, the covenants hereunder shall be deemed to be modified to that extent.

(d) The foregoing provisions of this Section 6.04 shall not be applicable to any Series of Bonds or the proceeds thereof that the Authority determines upon the issuance thereof are to be taxable bonds, the interest on which is intended to be included in the gross income of the Owner thereof for federal income tax purposes.

SECTION 6.05 Accounting Records and Reports. The Trustee will keep or cause to be kept proper books of record and accounts in which complete and correct entries shall be made of all transactions relating to the receipts, disbursements, allocation and application of the Revenues, and such books shall be available for inspection by the Authority at reasonable hours and under reasonable conditions. The Trustee shall provide to the Authority monthly statements covering the funds and accounts held by the Trustee pursuant to the Trust Agreement. Not more than one hundred eighty (180) days after the close of each Fiscal Year, the Trustee shall furnish or cause to be furnished to the Authority a complete financial statement (which may be in the form of the Trustee’s customary account statements) covering receipts, disbursements, allocation and application of Revenues for such Fiscal Year. The Authority shall keep or cause to be kept such information as is required under the Tax Certificate.
SECTION 6.06   Prosecution and Defense of Suits. The Authority will defend against every suit, action or proceeding at any time brought against the Trustee upon any claim to the extent arising out of the receipt, application or disbursement of any of the Revenues or to the extent involving the failure of the Authority to fulfill its obligations hereunder; provided, that the Trustee or any affected Bondholder at its election may appear in and defend any such suit, action or proceeding. The Authority will indemnify and hold harmless the Trustee against any and all liability claimed or asserted by any person to the extent arising out of such failure by the Authority, and will indemnify and hold harmless the Trustee against any reasonable attorney’s fees or other reasonable expenses which it may incur in connection with any litigation to which it may become a party by reason of its actions hereunder, except for any loss, cost, damage or expense resulting from the negligence or willful misconduct by the Trustee. Notwithstanding any contrary provision hereof, this covenant shall remain in full force and effect even though all Bonds secured hereby may have been fully paid and satisfied.

SECTION 6.07   Further Assurances. Whenever and so often as reasonably requested to do so by the Trustee or any Bondholder, the Authority will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments, and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Bondholders all rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them hereby.

SECTION 6.08   Maintenance of Revenues. The Authority will promptly collect all rents and charges due for the occupancy or use of the Facilities as the same become due, and will promptly and vigorously enforce its rights against any tenant or other person who does not pay such rents or charges as they become due. Pursuant to Section 5.02 and the Facilities Lease, the County is to pay all Base Rental Payments directly to the Trustee. The Authority will at all times maintain and vigorously enforce all of its rights under the Facilities Lease.

SECTION 6.09   Amendments to Facilities Lease and Site Lease.

(a) The Authority shall not supplement, amend, modify or terminate any of the terms of the Facilities Lease, or consent to any such supplement, amendment, modification or termination, without the prior written consent of the Trustee. The Trustee shall give such written consent if such supplement, amendment, modification or termination (a) will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds, as evidenced by an Opinion of Counsel delivered to the Trustee (provided that such supplement, amendment or modification shall not be deemed to have such adverse effect or to cause such material impairment solely by reason of substitution or release of real property pursuant to Section 2.03 of the Facilities Lease or is to provide for the issuance of Additional Bonds pursuant to Article III hereof), (b) is to add to the agreements, conditions, covenants and terms required to be observed or performed thereunder by any party thereto, or to surrender any right or power therein reserved to the Authority or the County, (c) is to cure, correct or supplement any ambiguous or defective provision contained therein, (d) is to accommodate any substitution or release in accordance with Section 2.03 of the Facilities Lease or is to provide for the issuance of Additional Bonds pursuant to Article III hereof, (e) is to modify the legal description of the Facilities to conform to the requirements of title
insurance or otherwise to add or delete property descriptions to reflect accurately the description of the parcels intended or preferred to be included therein, or substituted for the Facilities pursuant to the provision of Section 2.03 of the Facilities Lease, or (f) if the Trustee first obtains the written consent of the Bondholders of a majority in principal amount of the Bonds then Outstanding to such supplement, amendment, modification or termination; provided, that no such supplement, release, amendment, modification or termination shall reduce the amount of Base Rental Payments to be made to the Authority or the Trustee by the County pursuant to the Facilities Lease to an amount less than the scheduled principal and interest payment on the Outstanding Bonds, or extend the time for making such payments, or permit the creation of any lien prior to or on a parity with the lien created by this Trust Agreement on the Base Rental Payments (except as expressly provided in the Facilities Lease), in each case without the written consent of all of the Bondholders of the Bonds then Outstanding.

(b) The Authority shall not supplement, amend, modify or terminate any of the terms of the Site Lease, or consent to any such supplement, amendment, modification or termination, without the prior written consent of the Trustee. The Trustee shall give such written consent if such supplement, amendment, modification or termination (a) will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds, as evidenced by an Opinion of Counsel delivered to the Trustee, (b) is to add to the agreements, conditions, covenants and terms required to be observed or performed thereunder by any party thereto, or to surrender any right or power therein reserved to the Authority or the County, (c) is to cure, correct or supplement any ambiguous or defective provision contained therein, (d) is to modify the legal description of the Facilities to conform to the requirements of title insurance or otherwise to add or delete property descriptions to reflect accurately the description of the parcels intended or preferred to be included therein, or substituted for or released from the Facilities pursuant to the provision of Section 2.03 of the Facilities Lease or is to provide for the issuance of Additional Bonds pursuant to Article III hereof, or (e) if the Trustee first obtains the written consent of the Bondholders of a majority in principal amount of the Bonds then Outstanding to such supplement, amendment, modification or termination.

SECTION 6.10 Leasehold Estate. The Authority will be, on the date of the delivery of the Bonds, the owner and lawfully possessed of the leasehold estate described in the Site Lease, and the Facilities Lease will be, on the date of delivery of the Bonds, a valid subsisting demise for the term therein set forth of the property which it purports to demise. At the time of the delivery of the Bonds, the County will be the owner of the leasehold estate of the premises described in the Site Lease, pursuant to the District Site Lease. The Site Lease will be lawfully made by the County and the covenants contained in the Site Lease on the part of the County will be valid and binding. At the time of the delivery of the Bonds, the Authority will have good right, full power and lawful authority to lease said leasehold estate, in the manner and form provided in the Facilities Lease, and the Facilities Lease will be duly and regularly executed.

Without allowance for any days of grace which may or might exist or be allowed by law or granted pursuant to any terms or conditions of the Facilities Lease, the Authority will in all respects promptly and faithfully keep, perform and comply with all the terms, provisions, covenants, conditions and agreements of the Facilities Lease to be kept, performed and complied with by it. The Authority will not do or permit anything to be done, or omit or refrain from doing
anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be a ground for declaring a forfeiture of the Facilities Lease, or would or might be a ground for cancellation or termination of the Facilities Lease by the lessee thereunder. The Authority will promptly deposit with the Trustee (to be held by the Trustee until the title and rights of the Trustee under this Trust Agreement shall be released or reconvened) any and all documentary evidence received by it showing compliance with the provisions of the Facilities Lease to be performed by the Authority (which the Trustee shall have no obligation to review, but shall retain as a repository for the Bondholders). The Authority, immediately upon its receiving or giving any notice, communication or other document in any way relating to or affecting the Facilities Lease, or the leasehold estate thereby created, which may or can in any manner affect the estate of the lessor or of the Authority in or under the Facilities Lease, will deliver the same, or a copy thereof, to the Trustee.

SECTION 6.11 Compliance with Continuing Disclosure Agreement. Pursuant to Section 8.08 of the Facilities Lease, the County has undertaken all responsibility for compliance with continuing disclosure requirements, and the Authority shall have no liability to the Owners of the Bonds or any other person with respect to S.E.C. Rule 15c2-12. The County has agreed that so long as it shall act as the Dissemination Agent under the Continuing Disclosure Agreement, it will perform all of the provisions thereof to be performed by the Dissemination Agent. Notwithstanding any other provision of this Trust Agreement, failure of the County to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, any Bondholder or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the County to comply with its obligations under Section 8.08 of the Facilities Lease or under this Section 6.11. For purposes of this Section, “Beneficial Owner” means any person which has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries). [To be discussed.]

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES OF BONDHOLDERS

SECTION 7.01 Events of Default and Acceleration of Maturities. If one or more of the following events (herein called “events of default”) shall happen, that is to say:

(a) if default shall be made by the Authority in the due and punctual payment of the interest on any Bond when and as the same shall become due and payable;

(b) if default shall be made by the Authority in the due and punctual payment of the principal or premium, if any, of any Bond when and as the same shall become due and payable, whether at maturity as therein expressed or by proceedings for mandatory redemption;

(c) if default shall be made by the Authority in the performance of any of the other agreements or covenants required herein to be performed by the Authority, and such default shall have continued for a period of sixty (60) days or (or if the Authority notifies the Trustee that in its reasonable opinion the failure stated in the notice can be corrected, but not within such 60 day period, the failure will not constitute an event of default if the Authority commences to cure
the failure within such 60 day period and thereafter diligently and in good faith cures such failure in a reasonable period of time);

(d) if the Authority shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the Authority seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the Authority or of the whole or any substantial part of its property; or

(e) if an Event of Default has occurred under Section 6.01 of the Facilities Lease;

then and in each and every such case during the continuance of such event of default the Trustee, upon the written request of the Bondholders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall, by notice in writing to the Authority, declare the principal of all Bonds then Outstanding and the interest accrued thereon to be due and payable immediately, and upon any such declaration the same shall become due and payable, anything contained herein or in the Bonds to the contrary notwithstanding. The Trustee shall promptly notify all Bondholders by first class mail of any such event of default which is continuing of which a Responsible Officer has actual knowledge or written notice.

This provision, however, is subject to the condition that if at any time after the principal of the Bonds then Outstanding shall have been so declared due and payable and before any judgment or decree for the payment of the money due shall have been obtained or entered the Authority shall deposit with the Trustee a sum sufficient to pay all matured interest on all the Bonds and all principal of the Bonds matured prior to such declaration and premium, if any, with interest at the rate borne by such Bonds on such overdue interest and principal and premium, if any, and the reasonable fees and expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of interest on and principal of the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then and in every such case the Trustee or the Bondholders of not less than a majority in aggregate principal amount of Bonds then Outstanding, by written notice to the Authority and to the Trustee, may on behalf of the Bondholders of all the Bonds then Outstanding rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

SECTION 7.02 Application of Funds Upon an Event of Default or Acceleration. All moneys in the accounts and funds provided in Sections 3.01, 3.02, 5.02, 5.03 and 5.04 upon the date of the occurrence and during the continuance of an Event of Default or declaration of acceleration by the Trustee as provided in Section 7.01 and all Revenues (other than Revenues on deposit in the Rebate Fund) thereafter received by the Authority hereunder shall be transmitted to the Trustee and shall be applied by the Trustee in the following order:
First, to the payment of the reasonable fees, costs and expenses of the Trustee including in providing for the declaration of such event of default and carrying out its duties under this Agreement, including reasonable compensation to their accountants and counsel together with interest on any amounts advanced as provided herein and thereafter to the payment of the reasonable costs and expenses of the Bondholders, if any, in carrying out the provisions of this Article, including reasonable compensation to their accountants and counsel; and

Second, upon presentation of the several Bonds, and the stamping thereon of the amount of the payment if only partially paid or upon the surrender thereof if fully paid, to the payment of the whole amount then owing and unpaid upon the Bonds for interest and principal, and premium, with (to the extent permitted by law) interest on the overdue interest and principal and premium at the rate borne by such Bonds, and in case such money shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such interest, principal and premium and (to the extent permitted by law) interest on overdue interest and principal and premium without preference or priority among such interest, principal and premium and interest on overdue interest and principal and premium ratably to the aggregate of such interest, principal and premium and interest on overdue interest and principal and premium.

SECTION 7.03 Institution of Legal Proceedings by Trustee. If one or more of the events of default shall happen and be continuing, the Trustee may, and upon the written request of the Bondholders of a majority in principal amount of the Bonds then Outstanding, and in each case upon being indemnified to its reasonable satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Bondholders of Bonds under this Trust Agreement and under Article VI of the Facilities Lease by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as shall be deemed most effectual in support of any of its rights and duties hereunder.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Bondholder any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Bondholder thereof, or to authorize the Trustee to vote in respect of the claim of any Bondholder in any such proceeding without the approval of the Bondholder so affected.

Notwithstanding anything contained herein or in the Facilities Lease to the contrary, upon the occurrence and continuance of an Event of Default, before taking any foreclosure action or any action which may subject the Trustee to liability under any Environmental Law, the Trustee may require that a satisfactory indemnity bond, indemnity or environmental impairment insurance be furnished for the payment or reimbursement of all expenses to which it may be put and to protect it against all liability resulting from any claims, judgments, damages, losses, penalties, fines, liabilities (including strict liability) and expenses which may result from such foreclosure or other action. The term “Environmental Laws” shall mean all federal, state and local environmental, land use, zoning, health, chemical use, safety and sanitation laws, statutes, ordinances and codes relating to the protection of the environment or governing the use, storage, treatment, generation, transportation, processing, handling, production or disposal of Hazardous Substances and the rules, regulations, policies, guidelines,
interpretations, decisions, orders and directives of federal, state and local governmental agencies and authorities with respect thereto. The term “Hazardous Substances” shall mean any chemical, substance or material classified or designated as hazardous, toxic or radioactive, or other similar term, and now or hereafter regulated under any Environmental Law, including without limitation, asbestos, petroleum and hydrocarbon products. The Trustee shall not be required to take any foreclosure action if the approval of a government regulator shall be a condition precedent to taking such action, and such approval cannot be obtained.

Anything in the Trust Agreement, Facilities Lease or Site Lease to the contrary notwithstanding, the Trustee shall not be required to enter, take possession of, or take any other action whatsoever with respect to the failure to initiate foreclosure proceedings with respect to the Project unless the Trustee is satisfied that the Trustee will not be subject to any liability under any local, state, or federal environmental laws or regulations of any kind whatsoever or from any circumstances present at the Project relating to the presence, use, management, disposal or contamination by any environmentally hazardous materials or substances of any kind whatsoever.

SECTION 7.04 Non-Waiver. Nothing in this Article or in any other provision hereof or in the Bonds shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay the interest on and principal of and redemption premiums, if any, on the Bonds to the respective Bondholders of the Bonds at the respective dates of maturity or upon prior redemption as provided herein from the Revenues as provided herein pledged for such payment, or shall affect or impair the right of such Bondholders, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied herein and in the Bonds.

A waiver of any default or breach of duty or contract by the Trustee or any Bondholder shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee or any Bondholder to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Bondholders by the Act or by this Article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Bondholders.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned, the Authority, the Trustee and any Bondholder shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

SECTION 7.05 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

SECTION 7.06 Limitation on Bondholders’ Right to Sue. No Bondholder of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or equity, for any remedy under or upon this Trust Agreement, unless (a) such Bondholder shall have
previously given to the Trustee written notice of the occurrence of an event of default as defined in Section 7.01; (b) the Bondholders of at least a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) said Bondholders shall have tendered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Bondholder of Bonds of any remedy hereunder; it being understood and intended that no one or more Bondholders of Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Trust Agreement shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Bondholders of the Outstanding Bonds.

ARTICLE VIII
THE TRUSTEE

SECTION 8.01  The Trustee.  U.S. Bank National Association shall serve as the initial Trustee for the Bonds for the purpose of receiving all money which the Authority is required to deposit with the Trustee hereunder and for the purpose of allocating, applying and using such money as provided herein and for the purpose of paying the interest on and principal of and redemption premiums, if any, on the Bonds presented for payment, with the rights and obligations provided herein. The Authority agrees that it will at all times maintain a Trustee having a corporate trust office in California.

The Authority, unless there exists any Event of Default as defined in Section 7.01, may upon thirty (30) days' notice remove the Trustee initially appointed and any successor thereto and may appoint a successor or successors thereto by instrument in writing; provided, that any such successor shall be a bank, banking institution, or trust company, having (or whose parent holding company has) a combined capital (exclusive of borrowed capital) and surplus of at least five hundred million dollars ($500,000,000) and subject to supervision or examination by federal or state authority. If such bank, banking institution, or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this Section the combined capital and surplus of such bank, banking institution, or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Trustee may at any time resign by giving written notice of such resignation to the Authority, and by mailing by first class mail to the Bondholders notice of such resignation. If, within thirty
(30) days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed and shall have accepted such appointment, the removed or resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required hereby.

The Trustee is hereby authorized to pay or redeem the Bonds when duly presented for payment at maturity or on redemption prior to maturity. The Trustee shall cancel all Bonds upon payment thereof or upon the surrender thereof by the Authority and shall destroy such Bonds and a certificate of destruction shall be delivered to the Authority upon its request. The Trustee shall keep accurate records of all Bonds paid and discharged and cancelled by it.

The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default that may have occurred, perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied duties or obligations shall be read into this Trust Agreement. The Trustee shall, during the existence of any Event of Default (that has not been cured or waived), exercise such of the rights and powers vested in it by this Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

SECTION 8.02 Liability of Trustee. The recitals of facts, agreements and covenants herein and in the Bonds shall be taken as recitals of facts, agreements and covenants of the Authority, and the Trustee assumes no responsibility for the correctness of the same or makes any representation as to the sufficiency or validity hereof or of the Bonds, or shall incur any responsibility in respect thereof other than in connection with the rights or obligations assigned to or imposed upon it herein, in the Bonds or in law or equity. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct.

The Trustee shall not be bound to recognize any person as the Bondholder of a Bond unless and until such Bond is submitted for inspection, if required, and such Bondholder’s title thereto satisfactorily established, if disputed.

The Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Bondholders of not less than a majority (or any lesser amount that may direct the Trustee in accordance with this Agreement) in aggregate principal amount of the Bonds at the time Outstanding, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Trust Agreement.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement (other than making payments of principal and interest as they become due and payable on the Bonds), including at the request, order or direction of any of the Bondholders pursuant to the provisions of this Trust Agreement, unless such Bondholders shall
have offered to the Trustee security or indemnity satisfactory to it against the reasonable costs, expenses and liabilities that may be incurred therein or thereby. The Trustee has no obligation or liability to the Bondholders for the payment of the interest on, principal of or redemption premium, if any, with respect to the Bonds from its own funds; but rather the Trustee’s obligations shall be limited to the performance of its duties hereunder.

The Trustee shall not be deemed to have knowledge of any event of default (except payment defaults) unless and until a Responsible Officer shall have actual knowledge thereof or a Responsible Officer of the Trustee shall have received written notice thereof at its Principal Office. The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of a default or event of default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through attorneys-in-fact, agents or receivers and shall not be answerable for the negligence or misconduct of any such attorney-in-fact, agent or receiver selected by it with due care. The Trustee shall be entitled to advice of counsel and other professionals concerning all matters of trust and its duty hereunder, but the Trustee shall not be answerable for the professional malpractice of any attorney-in-law or certified public accountant in connection with the rendering of his professional advice in accordance with the terms of this Trust Agreement, if such attorney-in-law or certified public accountant was selected by the Trustee with due care.

The Trustee shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys (including Bond proceeds) which shall be released or withdrawn in accordance with the provisions hereof.

Whether or not therein expressly so provided, every provision of this Trust Agreement, the Facilities Lease or related documents relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article.

The Trustee makes no representation or warranty, express or implied, as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose for the use contemplated by the Authority or County of the Facilities or the Project. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Facilities Lease or this Trust Agreement for the existence, furnishing or use of the Facilities or the Project.

The Trustee shall be protected in acting upon any notice, resolution, requisition, request (including any Written Request of the Authority or the County), consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Before the Trustee acts or refrains from acting, the Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and
protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be established or proved prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the Authority, which certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

No provision of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance or exercise of any of its duties hereunder, or in the exercise of its rights or powers.

The Trustee is not responsible for the content of any official statement or any other offering or disclosure material prepared in connection with the Bonds.

The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Trust Agreement and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Authority and/or County and/or District shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority and/or the County and/or District whenever a person is to be added or deleted from the listing. If the Authority and/or County and/or District elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Authority, the County and the District understand and agree that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority, the County and District shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Authority, County, District and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority and/or County and/or District. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction.
The Authority, County and District agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority, County and District; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

In acting or omitting to act pursuant to the Site Lease, the Facilities Lease or any other documents executed in connection herewith or therewith, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Trust Agreement including, but not limited to, this Article VIII.

SECTION 8.03 Compensation and Indemnification of Trustee. The Authority covenants to pay (but solely from Additional Payments) to the Trustee from time to time, and the Trustee shall be entitled to, compensation for all services rendered by it in the exercise and performance of any of the powers and duties hereunder of the Trustee, and the Authority will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee, in accordance with any of the provisions of this Trust Agreement (including the reasonable compensation and the reasonable expenses and disbursements of their counsel (including the allocated reasonable fees and disbursements of in-house counsel) and of all persons not regularly in their employ) except any such expense, disbursement or advance as may arise from their negligence or willful misconduct. The Authority, to the extent permitted by law, shall indemnify, defend and hold harmless the Trustee and its officers, directors, agents and employees against any loss, damage, liability, expense, judgment, suits or claims incurred without negligence or willful misconduct on the part of the Trustee arising out of or in connection with the acceptance or administration of the trusts created hereby, including reasonable costs and expenses (including reasonable attorneys’ fees and disbursements) of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers hereunder. The rights of the Trustee and the obligations of the Authority under this Section 8.03 shall survive the discharge of the Bonds and this Trust Agreement and the resignation or removal of the Trustee.

ARTICLE IX

AMENDMENT OF THE TRUST AGREEMENT

SECTION 9.01 Amendment of the Trust Agreement.

(a) This Trust Agreement and the rights and obligations of the Authority and of the Bondholders may be amended at any time by a Supplemental Trust Agreement which shall become binding when the written consent of the Bondholders of a majority in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 9.02, are filed with the Trustee; provided that if such modification or amendment will, by its terms,
not take effect so long as any Bonds of any particular maturity or Series remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Bonds Outstanding under this Section. No such amendment shall (1) extend the maturity of or reduce the interest rate on or amount of interest on or principal of or redemption premium, if any, on any Bond without the express written consent of the Bondholder of such Bond, or (2) permit the creation by the Authority of any pledge of or charge or lien upon the Revenues as provided herein superior to or on a parity with the pledge, charge and lien created hereby for the benefit of the Bonds, or (3) reduce the percentage of Bonds required for the written consent to any such amendment, or (4) modify any rights or obligations of the Trustee, the Authority, or the County without their prior written assent thereto, respectively. It shall not be necessary for the consent of the Bondholders to approve the particular form of any Supplemental Trust Agreement, but it shall be sufficient if such consent shall approve the substance thereof. Promptly after the execution by the Authority and the Trustee of any Supplemental Trust Agreement pursuant to this subsection (a), the Trustee shall mail a notice on behalf of the Authority, setting forth in general terms the substance of such Supplemental Trust Agreement to the Bondholders at the addresses shown on the registration books maintained by the Trustee. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Trust Agreement.

(b) The Trust Agreement and the rights and obligations of the Authority and of the Bondholders may also be amended at any time by a Supplemental Trust Agreement which shall become binding upon adoption but without the consent of any Bondholders, for any purpose that will not materially adversely affect the interests of the Bondholders (without limitation) for any one or more of the following purposes:

(i) to add to the agreements and covenants required herein to be performed by the Authority other agreements and covenants thereafter to be performed by the Authority, or to surrender any right or power reserved herein to or conferred herein on the Authority;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Authority may deem desirable or necessary;

(iii) to provide for the issuance of any Additional Bonds and to provide the terms of such Additional Bonds, subject to the conditions and upon compliance with the procedure set forth in Article III (which shall be deemed not to adversely affect Bondholders); or

(iv) to add to the agreements and covenants required herein, such agreements and covenants as may be necessary to qualify the Trust Agreement under the Trust Indenture Act of 1939.

SECTION 9.02 Approval of Form of Amendment. It shall not be necessary for the consent of the Bondholders to approve the particular form of any Supplemental Trust Agreement, but it shall be sufficient if such consent shall approve the substance thereof. The Authority may evidence Bondholder consent to an amendment to the Trust Agreement by providing that the effectiveness thereof shall occur when the Bonds Outstanding evidenced by a majority of the Bond
Obligation were issued after the amendment was proposed, acquisition of the Bonds by the Bondholders thereof evidencing consent to the amendment. Promptly after the execution and delivery by the Trustee and the Authority of any Supplemental Trust Agreement, the Trustee shall mail a notice, setting forth in general terms the substance of such Supplemental Trust Agreement to the Bondholders at the addresses shown on the registration books of the Trustee. Any failure to give such notice, or, any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Trust Agreement.

SECTION 9.03   Disqualified Bonds. Bonds owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided in this Article, and shall not be entitled to consent to or take any other action provided in this Article; except that in determining whether the Trustee shall be protected in relying upon any such consent, calculation of Outstanding Bonds or other action of a Bondholder, only Bonds which a Responsible Officer of the Trustee actually knows to be owned or held by or for the account of the Authority, shall be disregarded unless all Bonds are so owned or held, in which case such Bonds shall be considered Outstanding for the purpose of such determination.

SECTION 9.04   Endorsement or Replacement of Bonds After Amendment. After the effective date of any action taken as hereinabove provided, the Authority may determine that the Bonds may bear a notation by endorsement in form approved by the Authority as to such action, and in that case upon demand of the Bondholder of any Outstanding Bonds and presentation of his Bond for such purpose at the Principal Office of the Trustee a suitable notation as to such action shall be made on such Bond. If the Authority shall so determine, new Bonds so modified as, in the opinion of the Authority, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Bondholder of any Outstanding Bond a new Bond or Bonds shall be exchanged at the Principal Office of the Trustee without cost to each Bondholder for its Bond or Bonds then Outstanding upon surrender of such Outstanding Bonds.

SECTION 9.05   Amendment by Mutual Consent. The provisions of this Article shall not prevent any Bondholder from accepting any amendment as to the particular Bonds held by him, provided that due notation thereof is made on such Bonds.

SECTION 9.06   Execution of Amendments. In executing, or accepting the additional trusts created by, any amendment permitted by this Article or the modification thereby of the trusts created by this Trust Agreement, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, in good faith, an opinion of counsel stating that the execution of such amendment to the Trust Agreement is authorized or permitted by this Trust Agreement and complies with the terms hereof. The Trustee may, but shall not be obligated to, enter into any such amendment which affects the Trustee’s own rights, duties or immunities under this Trust Agreement or otherwise.
ARTICLE X

DEFEASANCE

SECTION 10.01 Discharge of Bonds.

(a) If the Authority shall pay or cause to be paid or there shall otherwise be paid to the Bondholders of all or any portion of the Outstanding Bonds the interest thereon and principal thereof and redemption premiums, if any, thereon at the times and in the manner stipulated herein and therein, and the Authority shall pay in full all other amounts due hereunder and under the Facilities Lease, then the Bondholders of such Bonds shall cease to be entitled to the pledge of and charge and lien upon the Revenues as provided herein, and all agreements, covenants and other obligations of the Authority to the Bondholders of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, the Trustee shall pay over or deliver to the Authority all money or securities held by it pursuant hereto which are not required for the payment of the interest on and principal of and redemption premiums, if any, on such Bonds and for the payment of all other amounts due hereunder and under the Facilities Lease.

(b) Any Outstanding Bonds shall prior to the maturity date or redemption date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this Section if (1) in case any of such Bonds are to be redeemed on any date prior to their maturity date, the Authority shall have given to the Trustee in form satisfactory to it irrevocable instructions to provide notice in accordance with Section 4.05, (2) there shall have been deposited with the Trustee (A) cash in an amount which shall be sufficient and/or (B) noncallable Government Securities, the interest on and principal of which when paid will provide cash which, together with the cash, if any, deposited with the Trustee at the same time, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to pay when due the interest to become due on such Bonds on and prior to the maturity date or redemption date thereof, as the case may be, and the principal of and redemption premiums, if any, on such Bonds, and (3) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to mail as soon as practicable, a notice to the Bondholders of such Bonds that the deposit required by clause (2) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating the maturity date or redemption date upon which money is to be available for the payment of the principal of and redemption premiums, if any, on such Bonds.

(c) In the event of an advance refunding (i) the Authority shall cause to be delivered, on the deposit date and upon any reinvestment of the defeasance amount, a report of an Independent Certified Public Accountant verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity date or redemption date (“Verification”) (which Verification shall verify the mathematical accuracy of the computations relating to the adequacy of cash plus Government Securities to be held in escrow to pay debt service requirements (principal, interest and redemption price, including premium, to the applicable redemption or maturity dates) when due on the Bonds to be refunded), (ii) the escrow agreement shall provide that no (A) substitution
of a Government Security shall be permitted except with another Government Security and upon
delivery of a new Verification and (B) reinvestment of a Government Security shall be permitted
except as contemplated by the original Verification or upon delivery of a new Verification, and
(iii) there shall be delivered an Opinion of Counsel to the effect that the Bonds are no longer
“Outstanding” under the Trust Agreement; each Verification and opinion shall be addressed to the
Authority and the Trustee.

SECTION 10.02 Unclaimed Money. Anything contained herein to the contrary
notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of
the Bonds or interest thereon which remains unclaimed for one (1) year after the date when such
Bonds or interest thereon have become due and payable, either at their stated maturity dates or by
call for redemption prior to maturity, if such money was held by the Trustee at such date, or for
two (2) years after the date of deposit of such money if deposited with the Trustee after the date
when such Bonds have become due and payable, shall be repaid by the Trustee (without liability
for interest) to the Authority as its absolute property free from trust, and the Trustee shall thereupon
be released and discharged with respect thereto and the Bondholders shall not look to the Trustee
for the payment of such Bonds.

ARTICLE XI
MISCELLANEOUS

SECTION 11.01 Liability of Authority Limited to Revenues. Notwithstanding
anything contained herein, the Authority shall not be required to advance any money derived from
any source other than the Revenues as provided herein for the payment of the interest on or
principal of or redemption premiums, if any, on the Bonds or for the performance of any
agreements or covenants herein contained. The Authority may, however, advance funds for any
such purpose so long as such funds are derived from a source legally available for such purpose.

The Bonds are limited obligations of the Authority and are payable, as to interest
thereon, principal thereof and any premiums upon the redemption of any thereof, solely from the
Revenues as provided herein, and the Authority is not obligated to pay them except from the
Revenues. All the Bonds are equally secured by a pledge of and charge and lien upon the
Revenues, and the Revenues constitute a trust fund for the security and payment of the interest on
and principal of and redemption premiums, if any, on the Bonds as provided herein. The Bonds
are not a debt of the County, District, the State or any of its political subdivisions, and neither the
County, the District, the State nor any of its political subdivisions is liable thereon, nor in any event
shall the Bonds be payable out of any funds or properties other than those of the Authority as
provided herein. The Bonds do not constitute an indebtedness within the meaning of any
constitutional or statutory limitation or restriction.

SECTION 11.02 Benefits of this Trust Agreement Limited to Parties and Third-Party
Beneficiaries. Nothing contained herein, expressed or implied, is intended to give to any person
other than the Authority, the Trustee, and the Bondholders any right, remedy or claim under or by
reason hereof. Any agreement or covenant required herein to be performed by or on behalf of the
Authority or any member, officer or employee thereof shall be for the sole and exclusive benefit
of the Authority, the Trustee and the Bondholders.
SECTION 11.03   Successor Is Deemed Included In All References To Predecessor. REGISTERED OWNER: CEDE & CO.

PRINCIPAL SUM: ________________________________ DOLLARS

The SANTA CLARA COUNTY FINANCING AUTHORITY, a joint exercise of powers authority, duly organized and validly existing under and pursuant to the laws of the State of California (the “Authority”), for value received, hereby promises to pay (but only out of the Revenues hereinafter referred to) to the registered owner identified above or registered assigns, on the maturity date specified above (subject to any right of prior redemption hereinafter provided for) the principal sum specified above, together with interest on such principal sum from the
interest payment date next preceding the date of authentication of this Bond (unless this Bond is registered as of an interest payment date or during the period from the fifteenth calendar day of the month preceding an interest payment date to such interest payment date, in which event it shall bear interest from such interest payment date, or unless this Bond is authenticated on or before [October 15, 2020], in which event it shall bear interest from the Dated Date specified above) until the principal hereof shall have been paid at the interest rate per annum specified above, payable on [November 1, 2020], and semiannually thereafter on each [May 1 and November 1]. Interest due on or before the maturity or prior redemption of this Bond shall be payable only by check mailed by first-class mail to the registered owner hereof; provided that upon the written request of a Bondholder of $1,000,000 or more in aggregate principal amount of Bonds of the Series of which this Bond is a part received by the Trustee (defined hereinafter) prior to the applicable record date, interest shall be paid by wire transfer in immediately available funds. The principal hereof is payable in lawful money of the United States of America upon presentation of this Bond at the Principal Office of the Trustee. Capitalized terms used herein and not otherwise defined herein have the meanings ascribed thereto in the Trust Agreement.

This Bond is one of a duly authorized issue of bonds of the Authority designated as its “Santa Clara County Financing Authority Lease Revenue Bonds (Fire District Facilities)” (the “Bonds”) unlimited as to principal amount and is one of a duly authorized series of such Bonds known as “2020 Series A” (the “2020 Series A Bonds”) issued in an aggregate principal amount of [________________] dollars ($[Par Amount]), all of like tenor and date (except for such variations, if any, as may be required to designate varying numbers, maturities and interest rates), and is issued under and pursuant to the provisions of the Joint Exercise of Powers Act (being Chapter 5 of Division 7 of Title 1 of the California Government Code, as amended) and all laws amendatory thereof or supplemental thereto (the “Act”) and under and pursuant to the provisions of a trust agreement, dated as of June 1, 2020 (as amended from time to time, the “Trust Agreement”), between the Authority and U.S. Bank National Association, as trustee (together with any successor as trustee under the Trust Agreement, the “Trustee”) (copies of the Trust Agreement are on file at the corporate trust office of the Trustee in Los Angeles, California).

The 2020 Series A Bonds are issued to provide funds to finance and refinance the acquisition, installation, implementation and construction of certain capital projects of the County, and related costs and expenses, located in the County of Santa Clara (as more fully defined in the Trust Agreement, the “Projects”). The Bonds are limited obligations of the Authority and are payable, as to interest thereon and principal thereof, solely from certain proceeds of the Bonds held in certain funds and accounts pursuant to the Trust Agreement and the revenues (as more fully defined in the Trust Agreement, the “Revenues”) derived from Base Rental Payments and other payments made by the County of Santa Clara (the “County”), and all interest or other investment income thereon, pursuant to the County Facilities Lease, dated as of June 1, 2020 (as amended from time to time, the “Facilities Lease”), by and between the Authority and the County, and the Authority is not obligated to pay the interest or premium, if any, on and principal of the Bonds except from the Revenues. All Bonds are equally and ratably secured in accordance with the terms and conditions of the Trust Agreement by a pledge and assignment of and charge and lien upon the Revenues, and the Revenues constitute a trust fund for the security and payment of the interest or premium, if any, on and principal of the Bonds as provided in the Trust Agreement. The full faith and credit of the Authority, the Santa Clara County Central Fire Protection District and the County are not pledged for the payment of the interest or premium, if any, on or principal of the
Bonds. No tax shall ever be levied to pay the interest on or principal of the Bonds. The Bonds are not secured by a legal or equitable pledge of or charge or lien upon any property of the Authority or any of its income or receipts except the Revenues, and neither the payment of the interest on nor principal (or premium, if any) of the Bonds is a debt, liability or general obligation of the Authority, the County or any member of the Authority for which such entity is obligated to levy or pledge any form of taxation. Additional Bonds payable from the Revenues may be issued which will rank equally as to security with the 2020 Series A Bonds, but only subject to the conditions and upon compliance with the procedures set forth in the Trust Agreement. Reference is hereby made to the Act and to the Trust Agreement and any and all amendments thereof and supplements thereto for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Revenues, the rights of the registered owners of the Bonds, security for payment of the Bonds, remedies upon default and limitations thereon, and amendment of the Trust Agreement (with or without consent of the registered owners of the Bonds); and all the terms of the Trust Agreement are hereby incorporated herein and constitute a contract between the Authority and the registered owner of this Bond, to all the provisions of which the registered owner of this Bond, by acceptance hereof, agrees and consents.

The Bonds are subject to redemption prior to maturity on the dates, at the redemption prices, and upon such notice as set forth in the Trust Agreement.

If an Event of Default (as defined in the Trust Agreement) shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Trust Agreement. The Trust Agreement provides that in certain events such declaration and its consequences may be rescinded by the holders of not less than a majority in aggregate principal amount of the Bonds then outstanding or by the Trustee.

This Bond is transferable only on a register to be kept for that purpose at the above-mentioned Principal Office of the Trustee by the registered owner hereof in person or by the duly authorized attorney of such owner upon payment of the charges provided in the Trust Agreement and upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or the duly authorized attorney of such owner, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount will be issued to the transferee in exchange therefor. The Authority and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of the interest hereon and principal hereof and for all other purposes, whether or not this Bond shall be overdue, and neither the Authority nor the Trustee shall be affected by any notice or knowledge to the contrary; and payment of the interest on and principal of this Bond shall be made only to such registered owner, which payments shall be valid and effectual to satisfy and discharge liability on this Bond to the extent of the sum or sums so paid.

This Bond shall not be entitled to any benefit, protection or security under the Trust Agreement or become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been executed and dated by the Trustee.

It is hereby certified and recited that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required
by the Act, and by the Constitution and laws of the State of California, that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Constitution or laws of the State of California and is not in excess of the amount of Bonds permitted to be issued under the Trust Agreement.

IN WITNESS WHEREOF, the Santa Clara County Financing Authority has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of the President of the Authority and countersigned by the manual or facsimile signature of the Secretary of said Authority, and has caused this Bond to be dated as of the Dated Date specified above.
