County of Santa Clara
Board of Supervisors
Supervisory District One
Supervisor Donald F. Gage

DATE: April 24, 2007
TO: Board of Supervisors
FROM: Donald F. Gage
Supervisor, District 1

SUBJECT: Housing, Land Use, Environment, & Transportation Committee (HLUET) – April 19, 2007

RECOMMENDED ACTION
Accept report from the Housing, Land Use, Environment, and Transportation Committee relating to meeting of April 19, 2007. (Gage)

Possible action:
a. Accept items 5–13 as Board information only.

REASONS FOR RECOMMENDATION
HLUET accepted a monthly report from the Vector Control District on the disposition of wildlife deemed to be a public health and/or safety threat, a recommendation to change the reporting period from monthly to quarterly, and the annual report from Vector Control, which
they forwarded to the Board of Supervisors with a favorable recommendation.

The Committee considered and forwarded favorable recommendations to the Board regarding an ordinance relating to the permitting and keeping of roosters, adjusting the countywide AB939 implementation fee from $3.72 to $3.55, and a resolution supporting Extended Producer Responsibility.

HLUET also accepted a status report from the Animal Care and Control Division on the cooperative animal foster program at the South County Animal Shelter.

HLUET reviewed and forwarded a favorable recommendation to the Board regarding use of the recently-published Santa Clara Valley Water Collaborative's "Guidelines and Standards" and "Design Guides" by County agencies and departments.

The Committee also reviewed and favorably recommended increases and modifications to fees charged by Land Development Engineering and the Department of Environmental Health for review of land development applications submitted through the Planning Office.

And finally, the Committee reviewed and favorably recommended adoption of the Sanborn County Park Draft Trails Master Plan, which appears later on today's agenda.

The next meeting of the Committee is scheduled for May 9, 2007.
