SUBJECT: Agenda Item #28 – April 24, 2007
Board of Supervisors’ Resolution Stating Support for Taiwan to
Participate in the World Health Organization

Item #28 of the April 24, 2007 Board of Supervisors’ meeting is a report from the
Legislative Committee. The report includes a recommendation to adopt a resolution
stating support for Taiwan to participate in the World Health Organization as well as a
proposed resolution. However, a draft version of the resolution, which is not the final
document reviewed and approved by the Legislative Committee, was inadvertently
attached to the transmittal.

The correct version of the proposed resolution for the Board’s consideration is included
with this memorandum.
