RESOLUTION OF THE BOARD OF SUPERVISORS
OF THE COUNTY OF SANTA CLARA
RELATING TO THE PARTICIPATION OF TAIWAN
IN THE WORLD HEALTH ORGANIZATION

WHEREAS, The World Health Organization (WHO) has set forth in its
constitution the objective of attaining the highest possible level of health for all the
people of the world; and

WHEREAS, Taiwan, excluded from participation in the WHO, lacks direct and
immediate access to the WHO's up-to-date disease control information, the ability to
participate directly and without obstruction in the WHO's international health
cooperation forums and programs, and the ability to provide information directly to the
WHO on any outbreak of epidemics in Taiwan that could potentially threaten global
health; and

WHEREAS, Taiwan, being allowed to participate in the WHO, will allow it to
exchange information directly and quickly with both the WHO staff and the
governmental and non-governmental organizations that participate in the WHO and
this communication will be beneficial for all parts of the world, especially today with
the great potential for the cross-border spread of various infectious diseases, such as the
human immunodeficiency virus (HIV), tuberculosis, and pandemic influenza; and

WHEREAS, Taiwan and individual Taiwanese experts have in recent years
offered to assist a number of WHO-supported international aid and health activities
both financially and technically, but have ultimately been unable to assist the WHO due
to Taiwan's lack of status within the organization; and

WHEREAS, Taiwan proposes to participate in the WHO as an observer, that is
similar to the status that the Holy See, Palestine, the Sovereign Order of Malta, the
International Committee of the Red Cross (ICRC), the International Federation of Red
Cross and Red Crescent Societies (IFRCRCS) and the Inter-Parliamentary Union (IPU)
already enjoy, in order to put aside political controversies and allow the work of the
WHO to proceed for the common good of global health;

NOW, THEREFORE, BE IT RESOLVED that the Santa Clara County Board of
Supervisors urges the WHO to approve the extending of an invitation to Taiwan to
participate in the WHO's annual World Health Assembly meeting as an observer, and
in WHO technical meetings, as well as, disease prevention and control mechanisms in a
meaningful and appropriate way for the preparation of its eventual admission.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the
President of the United States, the United States Secretary of State, the Secretary of
Health and Human Services, the Majority Leader of the United States Senate, the
Speaker of the United States House of Representatives, the members of the County's
congressional delegation, the Taiwanese Government and the WHO.
