Hi, County of Santa Clara Board of Supervisors,  
Unfortunately I cannot attend the meeting at the County Chambers at noon on March 20, 2018. However, I want to give my full support to the plan to honor the 100th anniversary of the 19th amendment. This is an important anniversary to mark because it is one of most important advancements in US history.

Dear Santa Clara County Board of Supervisors,

I am writing you ask you to support support Item 24 on your meeting agenda today. (100th Anniversary Women's Suffrage Plan)

While much has changed in the last 100 years, we are far from realizing equality. Publicly supporting this item takes a step to include and honor the marginalized, which is the only way we get any closer to freedom and justice.

Sincerely,  
Elisheva Basseri

**Subject:** Celebrate 100th anniversary of Women's Suffrage

Please consider and approve the Santa Clara County Executive's 100th Anniversary Women's Suffrage Plan and its funding.

We unfortunately are living in a period of American politics where our President and Congress seem intent on disenfranchising as many people as possible by imposing new unreasonable requirements at the national and state levels. We must not only resist those efforts, but also demonstrate that we will support a comprehensive 2020 Census and subsequent voter registration to ensure enfranchisement. What better positive event to tie that to, than the 100th anniversary of American women's right to vote.

Best wishes,

**Subject:** Dear Santa Clara County Board of Supervisors,

Please replace the previous email that I sent you about 45 minutes ago with this one. I, Barbara Z. Dawson, apologize for the major mistake I made previously by addressing you as the San Jose City Council. Please forgive me. Evidently, it was too late for me to be on the computer. I would also like to tell Supervisor Chavez that I am very sorry for changing her title as well. I did not do it intentionally. As of this date, I have made the commitment not be on my computer after 9:30 p.m. in the future. It is clear that my mind is tired after 10:00 p.m.

Again, I support Item 24 on the Board's Agenda for Tuesday's Meeting, March 20, 2018, and I am sorry I can not be there in person. Mrs. Catherine Sweat, a retired high school counselor, asked me to inform you that she also supports Item 24. Both of us, who have been productive San Jose citizens for 48 years, are sorry we can not attend this Board Meeting due to previous engagements.

I would appreciate it very much if you will disregard the email that I sent you earlier this evening. Thank you for your understanding and cooperation.

Sincerely,

Please support Item 24 (100th Anniversary Women's Suffrage Plan) on Tuesday's agenda, March 20. My mother would have been 107 years old on this day when you can act to support women's right to vote and the necessary efforts (like a thorough and accurate 2020 census) which are needed to ensure the right to vote effectively.

Thank you!

**Subject:** 100th Anniversary Women's Suffrage Plan

Dear Supervisor Chavez and the Santa Clara County Board of Supervisors,

I am writing in response to Supervisor Chavez' request for input on the 100th Anniversary Women's Suffrage Plan. I cannot attend the Board of Supervisors meeting tomorrow due to prior commitments. I would, however, like to commend the Board on reviewing the plan and urge a vote to fund and put in place plans to work with the many organizations listed in the Report Supervisor Chavez's email included. While tremendous progress has been made over the last almost 100 years, there is still much to be done, including helping young people to learn and remember the strides that have been made. It is never a good idea to take things for granted. Voting rights, medical choices, equality in the work place are all issues which must continually be protected. Without full awareness of how we got to where we are and how much more is to be done, it is easy to slip backwards. Education is therefore a key piece of an event such as this one. Thank you for all you are doing.

Sincerely yours,  
Virginie Mitchem

To the Board of Supervisors,

I write to urge you to vote in support of the 100th Anniversary Women's Suffrage Plan on Tuesday, March 20, 2018 at the county Board meeting. During this time when equality is increasingly under threat, it's critical that we fund and support initiatives like this that will protect and increase women's political equality, specifically for women of color and those of other disadvantaged groups.

Thank you for your representation and for your support of this issue.

**Subject:** Vote to Support Women's Suffrage Plan

Hi County of Santa Clara Board of Supervisors,  
Although I cannot attend in-person the meeting at the County Chambers due to work conflicts,  
I want to voice my full support to funding for the 10th Anniversary Women's Suffrage Plan.

The plan should include proactive strategies to protect suffrage and the efforts to increase voter registration, participation and ensure all individuals are counted in the 2020 census. These efforts should engage community partners such as AAUW to demonstrate a measurable impact on women's political equality in the County and provide models for similar efforts across the region, state and country.

Sincerely,  
Nancy Moreno
