SUBJECT: **REVISED** Request for Extension on referral from the Board of Supervisors Meeting on February 11, 2020. Item #16 (#100282)

Honorable Members of the Board of Supervisors, Dr. Smith, and Ms. Doyle –

At the February 11, 2020 meeting, the Board of Supervisors referred the following, as amended:

At the request of Supervisor Dave Cortese, the Board directed the Administration to report back with options for consideration relating to the continuation of Countywide student work study programs for eligible students from participating schools in Santa Clara County, including, but not limited to, Cristo Rey San Jose, within 30 days.

On March 4, 2020, a request for an extension to the Board meeting of March 24, 2020 was submitted. Due to increased Countywide activities related to the mitigation of COVID-19, and the need for key County personnel to both staff the County Emergency Operations Center and be available to respond to inquiries from County departments, community based organizations, local businesses, other governmental jurisdictions, and the public, the Administration requests a revised extension to April 21, 2020.
